

Looking to **improve** your ability to conduct field research or staff call centers?

**Let Headway manage your data collection staffing & employment requirements so you can focus on core study activities.**

For more than 20 years, Headway has been providing Survey, Political and Market Research Organizations nationwide **Field Interviewer**, **Field Supervisor** and **Call Center** staffing solutions to leading companies.

Partnering with leading research agencies, organizations and institutions, Headway has:

- ☑ Proven workforce solutions in field research — involving **hundreds of research studies** across the United States and Puerto Rico
- ☑ Established hiring experience — having placed and **employed over 20,000+** survey research workers in a variety of positions, geographies and languages
- ☑ Nationwide network of 750,000+ call center and field research candidates

**Data Collection Staffing**

Headway identifies, sources, recruits, screens, assesses, interviews, employs and supplies companies with research workers, as well as managing all of the on/off-boarding and HR administration.

**Employer of Record/Payrolling & HR Administration**

If your organization has already recruited your research workers, Headway can provide employer of record services where we manage all on/off boarding, HR admin, payroll processing, taxes, insurance, and benefit requirements.

**RESULT:** Headway's solutions provide the benefit of cost savings, compliance and efficiency.

**VALUE ADDED**

Quick ramp-up of data collection staff

---
